

2011 Pick.Click.Give. Program & the Alaska SeaLife Center

The Alaska SeaLife Center is thrilled to be part of the *PFD Charitable Contributions Program* in 2011. When filing for your Alaska Permanent Fund Dividend online, please consider making a donation to support our programs which provide scientific education to students, conduct groundbreaking marine research, and animal stranding response.

As a non-profit, we need support from friends like you to succeed. Here are some ways we can put your donation to work:

- \$25** will feed all the puffins in the aviary for a day
- \$50** can supply two weeks of formula for an orphaned seal pup
- \$100** can provide a week's worth of food for a rescued sea otter
- \$225** will feed a giant Pacific octopus for a month
- \$500** can cover airfare to bring a stranded walrus to the Center

Please consider making this gift today. Every donation counts and we are grateful to the many generous Alaskans who show their support for us every day.

Little gifts; big impact.
