

2010 Teacher Workshop

GO WITH THE FLOW: Water from Ice to Ocean

October 15-17, 2010

Teacher Registration

The Ocean Alaska Science and Learning Center is a partnership between Kenai Fjords National Park and the Alaska SeaLife Center. These partners will be providing a teacher workshop geared towards 3rd – 5th grade teachers on standards based topics related to water. National Park Service and Alaska SeaLife Center personnel will be presenting content on a wide array of topics, curriculum options will be explored for classroom use, and field activities will ensure that the weekend is as entertaining as it is educational. Housing will be provided at the Hotel Seward and all meals are included in the registration costs thanks to the generous support of the NPS. Registration is limited and spots will be filled on a first come first served basis. If you have any further questions please do not hesitate to contact ASLC Director of Education, Nikki Nelson, at Nicolen@alaskasealife.org or 907-224-6889.
