

## Serology

Test Name: Avian Adenovirus Serology

Price per Sample: \$65

Sample Type: Serum

Turnaround Time: 7 days

Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum

Notes: Contact lab prior to sending samples for serology.

Test Name: Avian Orthoreovirus Serology

Price per Sample: \$65

Sample Type: Serum

Turnaround Time: 7 days

Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum

Notes: Contact lab prior to sending samples for serology.

Test Name: Avian Influenza ELISA

Price per Sample: \$25

Sample Type: Serum

Turnaround Time: 24 hours

Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum

Notes: Contact lab prior to sending samples for serology.

Test Name: Infectious Bursal Disease ELISA

Price per Sample: \$20

Sample Type: Serum

Turnaround Time: 24 hours

Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum

Notes: Contact lab prior to sending samples for serology.

Test Name: Newcastle Disease Virus ELISA

Price per Sample: \$20

Sample Type: Serum

Turnaround Time: 24 hours

Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum

Notes: Contact lab prior to sending samples for serology.

Test Name: Orthoreovirus ELISA

Price per Sample: \$20

Sample Type: Serum

Turnaround Time: 24 hours

Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum

Notes: Contact lab prior to sending samples for serology.

Test Name: Pasteurella multocida  
Price per Sample: \$20  
Sample Type: Serum  
Turnaround Time: 24 hours  
Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum  
Notes: Contact lab prior to sending samples for serology.

Test Name: Salmonella enteritidis ELISA  
Price per Sample: \$20  
Sample Type: Serum or Egg Yolk  
Turnaround Time: 24 hours  
Specimen Requirements: 1 SST or RTT, 0.1 ml serum minimum; 0.1 ml egg yolk minimum  
Notes: Contact lab prior to sending samples for serology.
